

XIX. SYMPOSIUM FOR THE
ECONOMIC ANALYSIS OF FIRMS

20.-21. SEPTEMBER 2018, GOETHE-UNIVERSITY FRANKFURT

ORGANIZED BY THE
GERMAN ECONOMIC ASSOCIATION OF BUSINESS ADMINISTRATION, GEABA, E.V.

Call for Papers

The SYMPOSIUM FOR THE ECONOMIC ANALYSIS OF FIRMS is a conference that promotes the enhancement and interdisciplinary application of the economic approach on business-related questions. The aim of the conference is to make the tools and methods of information economics, game theory, empirical economic research, experimental economics, New Institutional Economics or Economic Psychology fruitful for a differentiated economic analysis of business-related questions.

The GERMAN ECONOMIC ASSOCIATION OF BUSINESS ADMINISTRATION e.V. supports this aim and organizes the symposium. Researchers from economics and business are cordially invited to present their papers. Research topics may stem from different fields, for example, finance, accounting, corporate policy, intra-firm and inter-firm organization, human resources, marketing, or strategic management. From a methodological perspective, theoretical, empirical, as well as experimental research papers are welcome.

Participants who are willing to present their paper are kindly invited to submit a (preliminary) draft until **May 31, 2018 (submission deadline)** to
